O R D E R:

1. In the reference read above, the Vice Chairman & Managing Director, TGREDCO has informed that during Telangana Power Planning and Coordination Committee (TGPPCC) meeting held on 19.09.2025, to deliberate on the State's Renewable Consumption Obligation (RCO) compliance trajectory and the requirement for additional renewable capacity to meet the targets under the Telangana Clean and Green Energy Policy, 2025, the committee after detailed discussions, noted the shortfall in meeting RCO targets and decided that an additional 12,000 MW of renewable capacity would be required by 2030.

2. The VCMD, TGREDCO informed that TG REDCO proposes to take up and facilitate the process of procurement of 5000 MW of Solar Power through competitive bidding**,** in coordination with the DISCOMs, in line with the deliberations and decisions of the Telangana Green Power Procurement Coordination Committee (TGPPCC).

3. This initiative will facilitate the integration of clean energy sources into the State grid, ensure reliable and cost-effective power availability and support the Government's commitment to achieve sustainable growth and carbon reduction goals in line with national policies. Further the SBI Capital Markets Limited (SBICAPS), a wholly-owned subsidiary of the State Bank of India, is identified as the consulting agency due to its vast experience in the field.

4. The VCMD, TGREDCO has requested for approval on the following:

a) To permit TGDISCOMS to procure 5000 MW of solar power in a phased manner to meet the RCO obligation.

and

b) To authorize TGREDCO to initiate the process for procurement of 5000 MW Solar Power through ISTS on behalf of the Telangana DISCOMs.

5. Government after careful examination of the matter, hereby agreed with the proposal of the VCMD, TGREDCO as follows

a) The TG TGDISCOMS are permitted to procure **3000 MW** of solar power in a phased manner for a period of 5(five) years through competitive bidding to meet the Renewable Consumption Obligation (RCO).

and

b) The TGREDCO is authorized to initiate the process for procurement of 3000 MW Solar Power through Inter-State Transmission System (ISTS)/ Intra State Transmission System (InSTS) on behalf of the Telangana DISCOMs and which is technically and commercially superior.

P.T.O

6. The procurement shall be in a phased manner as per the following schedule:

1) 1000 MW by June, 2026
2) 1000 MW by December, 2026
3) 1000 MW by June, 2027.

7. The Vice Chairman & Managing Director, TGREDCO and the Chairman & Managing Directors, TGDISCOMS are requested to take further action accordingly.
